Terrain Parks:

Be sure to check out a few elements in place on Rosebrook Lane - an early example of what will be found in The Toy Box terrain park later this season!

Comments:

Bretton Woods is open for the season! At 8am, we will spin the Learning Center Quad, servicing the Rosebrook Lane trail and celebrate the start of the 2007/08 winter season! With any luck, there is a possibility that we may be able to open the Bethlehem Express high-speed quad on Sunday, so be sure to check back for the latest information. Lift tickets for the LCQ will be, as always, free! When the Bethlehem Express opens, tickets will be available at the early season rate of just \$39.

Dining & Events:

Join us Friday and Saturday, November 23rd & 24th for Bretton Woods Homecoming Weekend, including live entertainment, a barbecue, open house and a showing of Warren Miller's latest flick, Playground, on Friday night! Purchase your tickets for the movie today by calling 603.278.3320 or by downloading the ticket order form from the Calendar section of mountwashingtonresort.com.

Wind is not a factor at Bretton Woods! Wind has affected lift operation only 6 out of 4249 days.
