Supported by the **#1 ranking in New Hampshire for Snow Quality, Family Friendly, Guest Services, Lodging and Dining**, New Hampshire's largest ski area is once again a notable award-winner.

The list keeps growing, with *Conde Nast Traveler's* recent announcement of its own 2022 Readers' Choice Awards for the "[Best Ski Resorts in the World](#)", ranking **Bretton Woods #8 in North America**, while **Omni Mount Washington Resort grabbed the #4 spot** in the "[Top 22 Resorts in the Northeast](#)", topping the list for New Hampshire. "Our incredible grooming, lifts and snowmaking teams, along with a seasoned hospitality and ski operations staff, are dedicated to providing our guests with the best possible experience and have all contributed to these awards."

These accolades follow a recent, multi-year expansion and renovations throughout the entire resort, starting with the 2019 addition of New Hampshire's only 8-passenger gondola, followed by the 2020 debut of the stunning mountain-top Rosebrook Lodge which has quickly become a premier location for special events and weddings in addition to providing top-level dining and skier services.
